Course Description: An interdisciplinary survey of Indigenous historical and contemporary issues in Canada, from academic and community perspectives, including key terminology, overview of Indigenous knowledges and worldviews, languages and cultures, and international experiences of Indigenous peoples. Students will be introduced to Elders, Indigenous researchers, and community experts.

I welcome students to the traditional lands of the Anishinaabek (Ah-nish-in-a-bek), Haudenosaunee (Ho-den-no-show-nee), Lūnaapéewak (Len-ahpay-wuk) and Attawandaron (Add-a-won-da-run) peoples, on lands connected with the London Township and Sombra Treaties of 1796 and the Dish with One Spoon Covenant Wampum. This land continues to be home to diverse Indigenous peoples (e.g. First Nations, Métis and Inuit) whom we recognize as contemporary stewards of the land and vital contributors of our society.

### Important Policies

#### Grade Scale

A+	90-100%
A	80-89%
B	70-79%
C	60-69%
D	50-59%
F	Below 50% or assigned when course is dropped with academic penalty

#### *Policies for Assignment Deadlines*

Extension of deadlines or alternate dates for tests will be granted only for documented illness or compassionate reasons. Workloads (i.e., other class work, projects, readings, employment) do not count as a reasonable excuse. Late submissions will be penalized at a rate of 4% per day, to a maximum of 20%. Further information on “Academic Consideration for Missed Work” is below.

Assignment objectives and rubrics will be posted on OWL, as well as discussed in class via Zoom. Should you have a concern regarding the grade you received for an assignment, you **must wait 24 hours** from the receipt of the grade (on OWL) to contact the instructor. In doing so, please make an appointment and prepare in writing, with evidence, why you feel your grade is inappropriate. Please be aware that in requesting a grade reassessment, your grade could go up/down/or stay the same. Note that calculations errors (which do occur!) should be brought to my attention immediately.

### *Academic Consideration for Missed Work*

Students who experience an extenuating circumstance (illness, injury, or other extenuating circumstance) sufficiently significant to temporarily render them unable to meet academic requirements must submit a request for academic consideration through the appropriate route:

- (i) For **absences 48 hours or less**, students can complete a [Self-Reported Absence \(SRA\)](#) form provided the conditions specified in the [Senate policy](#) are met. The form [can be completed online](#). The SRA can be used only twice. Please note the important exceptions to this rule:
  - i. Not permitted for final exams or assessments worth more than 30% of a course.
- (ii) Students whose absences are expected to last **longer than 48 hours**, or where the other conditions detailed in the policy are not met (e.g., work is worth more than 30% of a course, the student has already used 2 SRAs, the absence is during the final exam period), may receive academic consideration by submitting a [Student Medical Certificate](#) (for illness) or other appropriate documentation (for compassionate grounds). Students are encouraged to contact their Academic Counselling unit to clarify what documentation is appropriate.
- (iii) All of the Faculty of Social Science Academic Counselling procedures can be found here: <https://counselling.ssc.uwo.ca/procedures/index.html>

Students seeking academic consideration:

- Are advised to consider carefully the implications of postponing tests or midterm exams or delaying handing in work.
- Are encouraged to make appropriate decisions based on their specific circumstances, recognizing that minor ailments (upset stomach) or upsets (argument with a friend) are not normally an appropriate basis for a self-reported absence.
- **All students pursuing academic consideration, regardless of type, must contact their instructors no less than 24 hours following the end of the period of absence to clarify how they will be expected to fulfill the academic responsibilities missed during their absence.**

Academic consideration is not normally intended for the following circumstances:

- **Students with an ongoing physical illness or mental disorder (recurring or chronic) or an existing disability** are responsible for determining, in consultation with their doctors or other health professionals, if they are capable of pursuing their studies and, if so, with what accommodations. Students are expected to seek and arrange reasonable accommodations with Student Accessibility Services (SAS) as soon as possible in accordance with the [Policy on Academic Accommodation for Students with Disability](#). Students with pre-existing accessibility plans arranged through SAS may not need to provide additional documentation when seeking academic consideration where such request for consideration relates to their disability and where their accessibility plans allow for coursework deferral or deadline extensions.

- **Students who experience high levels of stress related to academic performance** (including completing assignments, taking part in presentations, or writing tests or examinations). Students with academic or exam stress should access supports through [Student Health and Wellness](#) and [Learning Development & Success](#) in order to deal with this stress in a proactive and constructive manner.

### ***A Note on Plagiarism***

Students must write their assignments in their own words. Whenever students take an idea from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is a major scholastic offence as outlined in the [Scholastic Discipline](#) policy.

### ***Scholastic Offences***

Scholastic offences (including plagiarism) are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following web site: [www.uwo.ca/univsec/pdf/academic\\_policies/appeals/scholastic\\_discipline\\_undergrad.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf)

### ***Plagiarism Checking***

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com ([www.turnitin.com](http://www.turnitin.com)).

### ***Policies on Examinations***

No electronic devices of any kind are allowed during tests and examinations.

### ***Accessibility Options***

Please contact the course instructor if you require material in an alternate format or if you require any other arrangements to make this course more accessible to you. You may also wish to contact Services for Students with Disabilities (SSD) at 519 661-2111 x 82147 for any specific question regarding an accommodation. Information regarding accommodation of exams is available on the Registrar's website: [www.registrar.uwo.ca/examinations/accommodated\\_exams.html](http://www.registrar.uwo.ca/examinations/accommodated_exams.html)
